February 25th -29th, 2008

Thammasart University Learning resort, Pattaya, Chonburi province, Thailand

Dear Friends,

We, the Thai Fund Foundation(TFF), The Open Society Institute (OSI), Southeast Asian for e-Media (SEACeM), Friedrich Naumann Stiftung (FNS), TRN Institute and some other alliances, are pleased to inform you about the upcoming sub-regional ICT camp: the Capacity Development of ICT for Media and NGO practitioners in the Mekong sub-region to be held on February 25th – 29th , 2008 at Thammasart Learning resort, Pattaya, Chonburi, Thailand. The focus of the ICT camp will be on four main topics: 1) information management, 2) E-advocacy, 3) computer network for social development 4) promotion of the use of open source software and also a widespread of ICT network in the Mekong Sub-region as well.

The event will last five days, emphasizing on providing a process where through participation, technical experts, local media and NGO workers can exchange their experiences so that mutual understanding and cooperation will be materialized and result in an effective use of the ICT. In this ICT camp, not only provide you working on technological process, but also having a touch of human network are included.

In this occasion, we are cordially opening to representing media and NGO workers in Mekong sub-region countries i.e. Cambodia, Laos, Burma, Vietnam and Thailand to apply for attending this ICT camp. Development work and gender balance must be also taken into account. **Please see:** www.ict.or.th/mekong-ict-camp for more details.

The DEADLINE for sending the completed application is 14th February, 2008.
